## **Nominating Committee**

Why are you interested in being a member of the Nominating Committee at First Unitarian Church?

***I was approached to serve on the Nominating Committee. When asked, I always consider the opportunity to serve the church. I take into account my availability and if my skills would be useful. The Nominating Committee is important. The people nominated for Trustee greatly impact the direction our church takes.***

2. What skills and strengths do you bring to develop and support the Nominating Committee?

***I am relatively organized and willing to approach people to serve.***

3. Describe your participation in this church and in any community organizations.

***I have been attending 1st Unitarian Church for over 20 years. I attend regularly. Currently, I am active with Turning Inward. Outside of church, I volunteer for Habitat For Humanity, Senior For Independent Living where I drive people to medical appointments, and C.A.S.H. where I advise lower income people on financial matters and prepare income taxes.***

4. Describe your experience working as a member of a team, and if you'd like, describe your experience where you represented the views of others which may have differed from your own.

***I have served as Chairperson of the Nominating Committee before. I can't remember a time when I had to represent a view other than my own but I am a willing listener to all views.***
